In Kind Contributions

Please consider making an in kind contribution to the parents club. There are many products and services that can help us in our mission to support the competitive gymnasts of Westside. For instance, we could use printing services for our meet programs and food items for the concession stand at the meet. In addition, our raffle is one of the highlights of the meet. Your donation of an appropriate product or service can provide valuable exposure for your business while helping the parents club raise money through raffle ticket sales.
