We'll have a better idea where accounts are next month.

### Fundraising Report:

Ideas for this years fundraising: Hopefully will have more ideas coming in, and people to run with them, after the home meet.

Recap for See's candy-

**See's candy:** 14 Nov thru 30 Nov. This will be in time for Holiday giving and orders should be delivered before school break (usually within 2 weeks). Goal is to raise \$2000 (we raised \$1200) last year...this breaks down to \$50 per gymnast, either in profit from items sold or a buy out in the same amount....equates to approximately 20 items sold. Profit breakdowns will be provided for items. Prizes for top 2 girls with highest PROFIT sales. Prizes to be announced.

### SCRIP:

Scrip will finally be ready to go! Erin Tully will be chairing Scrip and Liz will co-chair this position with her as her back up. Carrie is third backup. They will be heading to the scrip office tomorrow to get us signed up! We will be doing this twice a month. Watch the upcoming emails with further information.

Used Leos:

This is a huge success at our home meets. Please have your girls look through their leos to see if they have any they've grown out of, or would like to donate.

Directors Report: None for this meeting.

### Parent Rep Reports:

Compulsory girls are doing great and are very consistent this meet season. They look even better each meet!!!

Optionals - There is a change to the optional calendar. The meet Feb 11th - 12th will not be at Precision Elite. The coaches have opted to do the meet in Tacoma, WA on that same weekend. Girls are excited because they usually give out a fee leo as the gym gifts!

Sara will be heading to Wisconsin October 25th for a college scouting trip, and will return on the 31st. Good Luck Sara!

Optional girls leos will not be here for the first meet.

Old Business: None and on to the Home Meet info!
