Old Business

Reviewed prior minutes.

Treasurer's Report

Reviewed approved budget from last year with parents.

Several parents requested that treasurer review expenses at each meeting and provide us with update.

Several parents expressed concern about the addition of an optional girls meet when compulsory girls refused request for another meet.

Carrie explained that every girl pays first year into WGPC and after that, fundraising helps cover expenses.

Several parents discussed other options for fundraising; in other clubs, fundraising monies go into individual accounts rather than each account.

Angela and Kristi will confer and develop alternative recommendations for handling expenses and fundraising. They will propose a possible new system at the April meeting for discussion as needed at the May meetings.

Fundraising report

Leo sales approximately \$60 last month.

Shelly Person: Would be nice if little sisters could go to Mac open to support big sisters.

Carrie for Stacy: Several meets coming up; state soon.

Sees Fundraiser: Kick off 3-13-11 through 4-6-11. This will give us time to get delivery by Easter. Need at least \$1000 in profit from this fundraiser.
